# A sky full of stars
## Coldplay

```
Intro: Em, C, G, D x2

Em                 C              G         D
     Cause you're a sky, cause you're a sky full of stars
Em           C       G         D
     I'm going to give you my heart
Em                 C              G         D
     Cause you're a sky, cause you're a sky full of stars
Em               C       G       D
     And cause you light up the path

Em           C         G         D
     I don't care, go on and tear me apart
Em           C       G         D
     I don't care if you do
Em         C          G            D
   Cause in a sky, cause in a sky full of stars
             Em        C     G      D
I think I saw you

Em, C, G, D x3

Em                 C              G         D
     Cause you're a sky, cause you're a sky full of stars
Em           C       G         D
     I'm wanna die in your arms, oh
Em                 C       G         D
     Cause you get lighter the more it gets dark
Em         C       G          D
     I wanna give you my heart

Em           C         G         D
     I don't care, go on and tear me apart
Em           C       G       D
     I don't care if you do
Em         C          G            D
   Cause in a sky, cause in a sky full of stars
             Em        C     G      D
I think I see you
             Em        C      G
I think I see you

Em, C, G, D x4

C, D, Em, G x2

C                       D          Em
     Because you're a sky, you're a sky full of stars
       G       C        D      Em
Such a Heavenly view
       G       C        D      Em    G
Such a Heavenly view
