

Call me maybe

Carly Rae Jepson

C
I threw a wish in the well,
G
Don't ask me, I'll never tell
Em
I looked to you as it fell,
D
and now you're in my way

I trade my soul for a wish,
pennies and dimes for a kiss
I wasn't looking for this,
but now you're in my way

Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

C
Hey, I just met you,
D
and this is crazy,
Em
but here's my number,
G
so call me, maybe?

It's hard to look right,
at you baaaabeh,
but here's my number,
so call me, maybe?

Hey, I just met you,
and this is crazy,
but here's my number,
so call me, maybe?

And all the other boys,
try to chaaase me,
but here's my number,
so call me, maybe?

You took your time with the call,
I took no time with the fall
You gave me nothing at all,
but still, you're in my way

I beg, and borrow and steal
Have foresight and it's real
I didn't know I would feel it,
but it's in my way

Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

Hey, I just met you...
