| There's a calm surrender |                       |  |  |
| C                        | G                     |  |  |
| To the rush of day       |                       |  |  |
| C                        | G                     |  |  |
| When the heat o          | of the rolling world  |  |  |
| Am D                     | )                     |  |  |
| Can be turned away       |                       |  |  |
| C G                      |                       |  |  |
| An enchanted moment      |                       |  |  |
| C                        | G                     |  |  |
| And it sees me through   |                       |  |  |
| C                        | Em                    |  |  |
| It's enough for          | this restless warrior |  |  |
| F                        | D                     |  |  |
| Just to be with          | ı you                 |  |  |

| And can you feel the love tonight?      |
| G C D                                   |
| It is where we are                      |
| C G Em C                                |
| It's enough for this wide-eyed wanderer |
| Am C D                                  |
| That we got this far                    |
| G D Em C                                |
| And can you feel the love tonight?      |
| G C D                                   |
| How it's laid to rest?                  |
| C G Em C                                |
| It's enough to make kings and vagabonds |
| Am C G                                  |
| Believe the very best                   |

There's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turn
There's a rhyme and reason
To the wild outdoors
When the heart of this star-crossed voyager
Beats in time with yours

And can you feel the love tonight?...

It's enough to make kings and vagabonds Believe the ve - ry best
