

Castle on the hill

Ed Sheeran

D When I was six years old I broke my leg
D And I was running from my brother and his friends
D And tasted the sweet perfume of the mountain grass as I rolled down
D I was younger then, take me back to when I
G Found my heart and broke it here
G Made friends and lost them through the years
G And I've not seen the roaring fields in so long, I know I've grown
G But I can't wait to go home

D I'm on my way, driving at ninety
D Down those country lanes singing to Tiny Dancer
D And I miss the way you make me feel and it's real
D When we watched the sunset over the castle on the hill

Fifteen years old and smoking hand-rolled cigarettes
Running from the law through the backfields and getting drunk with my friends
Had my first kiss on a Friday night, I don't reckon I did it
Right, I was younger then, take me back to when we found

Weekend jobs and when we got paid
We'd buy cheap spirits and drink them straight
Me and my friends have not thrown up in so long, oh how we've grown
But I can't wait to go home

I'm on my way, driving at ninety...

Bm One friend left to sell clothes and, one works down by the coast
Bm One had two kids but lives alone, one's brother overdosed
Bm One's already on his second wife, one's just barely getting by but
Bm These people raised me and I-I-I, can't wait to go home

And I'm on my way, I still remember
These old country lanes when we did not know the answers
And I miss the way you make me feel and it's real
We watched the sunset over the castle on the hill
Over the castle on the hill
Over the castle on the hill
