Drag me down

One Direction

```
Bm          G              A
I've got fire for a heart, I'm not scared of the dark
                          E
You've never seen it look so easy
Bm          G              D
I got a river for a soul and baby you're a boat
                          E
And baby you're my only reason
```

|Bm |G |A |E |

```
If I didn't have you there would be nothing left
A shell of a man who could never be his best
If I didn't have you I'd never see the sun
You taught me how to be someone, yeah

Bm    G          A           E
All my life you stood by me when no one else was ever behind me
Bm          G
All these lights that can't blind me
A           E
With your love, nobody can drag me down
Bm    G          A           E
All my life you stood by me when no one else was ever behind me
Bm          G
All these lights that can't blind me
A           E           Bm
With your love, nobody can drag me down

G       A
Nobody, nobody
E           Bm
Can drag me down
G       A
Nobody, nobody
E           Bm
Can drag me down

All my life you stood by me when no one else was ever behind me…

Nobody, nobody…
