Fix you
Coldplay

```
         C                    Em        Am        Am/G
When you try your best, but you don't succeed
         C                    Em          Am       Am/G
When you get what you want, but not what you need
       C              Em      Am        Am/G
When you feel so tired, but you can't sleep
           C Em Am Am/G
Stuck in re - ver - se.

When the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be  wo - rse?

F               G
    Lights will guide you home
F           G
    And ignite your bones
F               G
    And I will try to fix you

And high up above or down below
When you're too in love to let it go
If you never try, then you'll never know
Just what you're worth

Lights will guide you home...

C           F
Tears stream, down your face
C           G
When you lose something you cannot replace
C           F
Tears stream down your face
C   G
And I.........

Tears stream...

F                 G
    Lights will guide you home
F           G
    And ignite your bones
F           G       C
    And I will try to fix you
