Hela låten

| Em G | Bm A |

Em G  
You've got a hold of me  
Bm A  
Don't even know your power  
Em G  
I stand a hundred feet  
Bm A  
But I fall when I'm around you

Em G  
Show me an open door  
Bm A  
Then you go and slam it on me  
Em G  
I can't take anymore  
Bm A  
I'm saying baby

Em G  
Please have mercy on me  
Bm A  
Take it easy on my heart  
Em G  
Even though you don't mean to hurt me  
Bm A  
You keep tearing me apart  
Em G Bm A  
Would you please have mercy, mercy on my heart  
Em G Bm A  
Would you please have mercy, mercy on my heart

I'd drive through the night  
Just to be near you baby  
Heart old and testified  
Tell me that I'm not crazy

I'm not asking for a lot  
Just that you're honest with me  
My pride is all I got  
I'm saying baby

Please have mercy on me...

G Bm7  
Consuming all the air inside my lungs  
D A  
Ripping all the skin from off my bones  
G Bm7  
I'm prepared to sacrifice my life  
D A  
I would gladly do it twice  
G Bm7  
Consuming all the air inside my lungs  
D A  
Ripping all the skin from off my bones  
G Bm7  
I'm prepared to sacrifice my life  
D A  
I would gladly do it twice

Please have mercy on me...
