Nothing else matters

Metallica

Em D C
So close no matter how far
Em D C
Couldn't be much more from the heart
Em D C
Forever trusting who we are
G Am Em
And nothing else matters

Never opened myself this way Life is ours, we live it our way All these words I don't just say And nothing else matters

Trust and seek and I find in you Every day for us something new Open mind for a different view And nothing else matters

D C Am

Never cared for what they do

D C Am

Never cared for what they know

D Em7

But I know

So close no matter how far...

Never cared for what they do...

Never opened myself this way...

Trust I seek and I find in you...

Never cared for what they say Never cared for games they play Never cared for what they do Never cared for what they know And I know

So close no matter how far ...
