

See you again

Wiz Khalifa feat. Charlie Puth

It's been a long day without you my friend
 And I'll tell you all about it when I see you again
 We've come a long way from where we began
 Oh I'll tell you all about it when I see you again
 When I see you again

Damn who knew all the planes we flew
 Good things we've been through
 That I'll be standing right here
 Talking to you about another path I
 Know we loved to hit the road and laugh
 But something told me that it wouldn't last
 Had to switch up look at things different see the bigger picture
 Those were the days hard work forever pays now I see you in a better place
 uh
 How could we not talk about family when family's all that we got?
 Everything I went through you were standing there by my side
 And now you gonna be with me for the last ride

It's been a long day without you my friend..

First you both go out your way
 And the vibe is feeling strong and what's
 Small turn to a friendship a friendship
 Turn into a bond and that bond will never
 Be broke and the love will never get lost
 And when brotherhood come first then the line
 Will never be crossed established it on our own
 When that line had to be drawn and that line is what
 We reach so remember me when I'm gone
 How could we not talk about family when family's all that we got?
 Everything I went through you were standing there by my side
 And now you gonna be with me for the last ride

So let the light guide your way
 Hold every memory as you go
 And every road you take
 Will always lead you home uhhhhioooo

It's been a long day without you my friend..
