

Shape of you

Ed Sheeran

The club isn't the best place to find a lover
So the bar is where I go
Me and my friends at the table doing shots
Drinking fast and then we talk slow
Come over and start up a conversation with just me
And trust me I'll give it a chance now
Took my hand, stop, put Van the man on the jukebox
And then we start to dance, and now I'm singing like

Girl, you know I want your love
Your love was handmade for somebody like me
Come on now, follow my lead
I may be crazy, don't mind me, say
Boy, let's not talk too much
Grab on my waist and put that body on me
Come on now, follow my lead
Come—come on now, follow my lead

I'm in love with the shape of you
We push and pull like a magnet do
Although my heart is falling too
I'm in love with your body
And last night you were in my room
And now my bedsheets smell like you
Every day discovering something brand new
Well I'm in love with your body
I'm in love with your body
I'm in love with your body
I'm in love with your body
Every day discovering something brand new
I'm in love with the shape of you

One week in we let the story begin
We're going out on our first date
You and me are thrifty, so go all you can eat
Fill up your bag and I fill up a plate
We talk for hours and hours about the sweet
and the sour
And how your family is doin' okay
Leave and get in a taxi, then kiss in the
backseat
Tell the driver make the radio play, and I'm
singing like

Girl, you know I want your love..
I'm in love with the shape of you..

Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on
Come on, be my baby, come on

I'm in love with the shape of you..
