

Some die young

Laleh

G
I will tell your story if you die
Em D C D
I will tell your story and keep you alive
Em
The best I can I will tell them to the children
C D Em G
If we have some... if we have some
C D Em
But I've always felt the feeling we would die young
C D Em
Some die young
C D Em
Some die young
C D Am
Some, some die young

G Em
But you better hold on
Am G D
So many things I need to say to you
Am G Em
Please don't, don't let me go
Am C D
And we said we would die together
Am
Some die young
G Em
But you better hold on
Am G D
So many things I need to say to you
Am G Em
Please don't, don't let me go
Am C D
And we said we would die together
F
Some die young

I will tell your story if you try
But how long will your thoughts of valleys stay green
When the world you were born in changes with seasons
Will you run with the stream or will you run alone
Or will you run against and finally reveal
Why some die young
Why some die young
Why some die
Some die young

But you better hold on...
