Who am I?

I'm so shy  
Em  
I just can't seem to comply  
C D  
to the words that you say  
Em  
they just don't mean a thing  
C  
Who am I?  
D  
I'm so shy  
Em  
I just can't seem to comply  
C D  
to the words that you say  
Em D C  
Baby I'm not okay  
Em D C  
I'm not okay

Today things will change  
And we'll live like happy people  
We'll live like happy people  
Today things will change  
And we'll live like happy people  
We'll live

Who am I? I'm so shy...

Em  
Anymore!

C D Em  
Every single person seems to think it's so  
great  
C D Em  
Every single person seems to think they get me  
C D Em  
Every single person seems to think it's so  
great  
C D Em  
Every single person seems to think they get me!

Who am I? I'm so shy...
