Wake me up

Intro:   Bm  G    D    A
         Bm  G    D    A
```

```
Bm          G                   D
Feeling my way through the darkness
Bm      G           D
Guided by a beating heart
Bm      G               D
I can't tell where the journey will end
Bm      G           D
But I know where it starts
    Bm              G               D
They tell me I'm too young to understand
Bm          G               D
They say I'm caught up in a dream
Bm          G               D
Well life will pass me by if I don't open up my eyes
Bm          G       D
Well that's fine by me
```

```
        Bm      G       D    A
So wake me up when it's all over
        Bm      G       D    A
When I'm wiser and I'm older
        Bm      G       D       A
All this time I was finding myself
        Bm      G       D    A
And I didn't know I was lost
        Bm      G       D    A
So wake me up when it's all over
        Bm      G       D    A
When I'm wiser and I'm older
        Bm      G       D    A
All this time I was finding myself
        Bm      G       D    A
And I didn't know I was lost
```

```
I tried carrying the weight of the world
But I only have two hands
Hope I get the chance to travel the world
And I don't have any plans
Wish that I could stay forever this young
Not afraid to close my eyes
Life's a game made for everyone
And love is a prize
```

```
So wake me up when it's all over...
```

```
And I
I didn't know I was lost
I didn't know I was lost
I didn't know I was lost
I didn't know I was lost
I didn't know I (didn't know I, didn't know I)
